January 2011

It is a New Year! 2011 Safety Is Job 1!

Your "Safety Council" is entering a New Year, but, not actually a new Safety Council year. As most of you are aware, the council year begins July 1 and ends June 30 of each year.

The direction upon which your Safety Council now embarks is under new leadership. Our President, Al Bollas New Franklin Mayor, has built a leadership model with true safety as a goal for all current and future members. December saw a program on fire safety. Our speaker, New Franklin Fire Chief Perry Surgeon and Assistant Chief Steve Leslie, took us through a tour of what can happen if proper caution and inspections aren't used.

January will see Jody Miller Konstand, JMK Media owner and Ed Esposito, Vice President of Rubber City Radio group, give us an overview of Amber Alerts and the need for speed. We will see you at The Olde Harbor Inn on Wednesday January 12 at 11:30 a.m. Please RSVP to 330-745-3141 or e-mail us at southsummitcc@att.net.

It only takes a minute to see if \$ can be saved

The South Summit Chamber of Commerce is once again sponsoring a worker's compensation group-rating program for the 2011-2012 policy year. The group-rating plan provides employers with significant discounts off annual premiums paid to the Ohio Bureau of Workers' Compensation.

The South Summit Chamber of Commerce continues to partner with a larger statewide group, which will offer higher discounts to more employers. The group rating program is a very large network of Chambers of Commerce and State and National Trade Associations working together to provide larger workers' compensation discounts and more credible groups.

The plan's administrator is a locally owned workers' compensation service company with an excellent reputation for service and savings. Our Chamber works with our administrator for your benefit.

To determine your company's eligibility to participate in this excellent program, simply complete the enclosed Temporary Authorization Form (AC-3) for a **FREE, NO OBLIGATION** evaluation. We will advise you of your eligibility to participate in the group-rating program.

We encourage all members to be evaluated, whether you are currently with another group or have been previously ineligible to participate.

The South Summit Chamber of Commerce is seeking your support of this plan and we encourage your participation to help us grow and to better serve our members and our community.
