## You Should Go To The Hospital!!!!

When should you go? You should go as soon as you experience a sharp desire to meet friends and business associates. You should go as soon as you develop a burning desire for the best appetizers and beverages around **and** you should go because your Summa Barberton Hospital is sponsoring our June Business After Hours networking get together.

For those of us who have been lucky enough to enjoy this annual event we will certainly be in attendance. For those of you who may be new to the Chamber or for some unexplained reason may have missed previous Summa events, **DO NOT MISS THIS ONE!!** We will arrive around 6:00 pm. and enjoy food, beverages and prizes until about 8:00 p.m. The actual venue will be the Parkview Cancer Center. We will enjoy the park and be able to tour this state of the art facility. Please try to give your Chamber a call at 330-745-3141 or e-mail us at southsummitcc@att.net if you are planning to attend.

## NETWORKING!!!! This is why we join the Chamber Here are a couple of things coming up:

**Thursday morning May 27, 2010:** 7:00a.m. until 9:00a.m. join your fellow Chamber members as well as members from area Chambers at Sam's Club in Fairlawn. We will enjoy a nice breakfast and be given special opportunities to save "**Big Bucks**" for our home or business purchases. Discount offers will be many and any questions you may have will be answered. We are proud to have Sam's as a member not only of our Chamber, but, our area as well.

**Saturday morning May 29, 2010:** Join the team for the 4<sup>th</sup> annual Stewart's Caring Place Hope Walk. Stewart's Caring Place is a cancer wellness center providing a caring environment of healing and support for individuals and families touched by cancer. Meet at 9:30 a.m. Saturday morning at "**Lock 3 Park**" and enjoy a light breakfast and then enjoy a walk of either 2 or 3 miles along the towpath. Registration is \$15.00, but the benefits are far more valuable. Call the Chamber for information and registration and join our **TEAM**.

## Mission Statement:

*Increase the visibility and profitability of our members through education and communication and to enthusiastically provide membership services.*

## Business Development Group

*Would you like to meet and network with other business people in our area? Do you want to let others know about the products or services you offer? Then plan on attending one of our BDG meetings! The purpose of BDG is to bring together individuals who want to grow personally while building their companies. This is done by exchanging ideas and information and it's a great way to get business leads. It's fun, too!*

*Join us Tuesday, Wednesday, and Friday mornings, to network your business at one of these BDG Meetings.*

*Call the South Summit Chamber of Commerce for more information at 330-745-3141.*

*What to expect at your first BDG Meeting:*

- 1) *Be prepared to introduce yourself to our members.*
- 2) *You will have a chance to speak for one minute about your business and to describe your perfect lead.*
- 3) *Bring 20 Business Cards to share.*

## Dining Club is super evening AGAIN! *Thank you Angie's Italian Restaurant and Sports Grill*

Last Tuesday many members and friends met at another of our Super Member restaurants and enjoyed great food, great friends and conversation about whatever you want. This is not the usual sponsored function. This is just a great idea by a great member to get out and show support for other members and maybe, just maybe, meet someone new.

Well, we are going to do this again in June. It will be Tuesday, June 8 and we will meet around 6:00 p.m. at Milich's Village Inn. Enjoy a little bit of what made Barberton and Norton famous.

It was 1955 and the Milich Chicken tradition began. Kati and Mirko Milich opened the Village Inn and a legacy was born. For those of us who have had the good fortune of living in the Barberton-Norton area and been privileged to enjoy our chicken, we know **good chicken!** Always fresh and never frozen, cooked in lard for even browning, unique taste and texture, and sides to complete the perfect meal. This is the Barberton Fried Chicken Experience. If you have not been to the mountain, please join Steve Cooper and his wife Sharon, the Tuesday dining club originators, and many friends from your Chamber. Members and friends will be in attendance. Enjoy a non-structured and totally fun evening with friends at Milich's Village Inn starting around 6:00 p.m. If you should have a question, just *cockadoodledoo* your Chamber and we will tell you how to peck your way to Milich's. See you there!!!!

## Make Plans for the 4<sup>th</sup> of July *(It's really the 3<sup>rd</sup> of July)*

The Portage Lakes are really a jewel in our Chamber area. We have many jewels, but, few will be showcased like our own Portage Lakes during the early July celebrations. First, we will kick off Saturday afternoon with a boat parade like few, outside of our area, have been privileged to view. Boats of every type and decoration will follow one another around the beautiful lakes. It is easy to get a view as the banks are accessible to all as well as many businesses surrounding the water. Then, after an afternoon of lake enjoyment and food for every palette, you may wish to find a site in which to bring your picnic basket and secure a spot to view the largest and best privately funded fireworks show in Ohio.

Remember, this all takes place on Saturday July 3, 2010. Your local newspaper and your Chamber will have answers to any and all questions you may have. You can even discover great places to view either the Boat Parade or the fireworks. For information, call us at 330-745-3141.

Sully's Tool and Party Rental, AKA Sully's Rent All, is a one stop shop for all of your tool, party and equipment needs. Since 1947 Sully's has been one of the most respected and thorough rental companies in the Akron, Canton and surrounding areas. Our mission is to supply each customer with the most cost effective, efficient and current rental equipment needed to make each event or task successful.

Besides the usual skid steers, excavators and trenchers, Sully's **Tool Department** will supply you with most of your household do it yourself equipment like wall paper steamers, carpet cleaners, floor scrubbers and tile removers. We also rent and service all lawn and garden equipment like thatchers, aerators and mowers. To get those hard to reach areas, rent a scissor or aerial boom lift to get you there. Want to take a weekend to split or chip wood? Our 1 day, Saturday to Monday rentals will make that job a little easier on the wallet.

Having an Affair? Sully's **Party Department** will make it the most memorable event ever! Whether you are having a graduation, birthday or anniversary party, wedding or reception, Bar or Bar Mitzvah, our knowledgeable office staff will help complete your event from the tent or hall to the flatware and everything in between. Besides tents, tables and chairs, don't forget the linen, china and glassware. How many tables will my venue hold? What is the most efficient set up for the easiest flow of traffic? These questions and many more can be answered as Mary, sales and marketing representative for Sully's, comes out and measures and supplies each request with a CAD layout of the event.

Don't buy it, clean it, fix it, store it. Let Sully's do all that. Just **RENT IT**. Good for you, good for the environment. ***Go Green in Green...*** visit Sully's Tool and Party Rental. ## View From The Summit

John F. Kennedy once said *"You cannot continue to take the good from the community and not return some good. Soon there will be no community"*. Your Chamber is the same way. We provide every opportunity for our members to meet and share ideas, experiences and goodwill. If one does not choose to become a part of the team and share your ideas and even problems, do not expect to achieve satisfaction. We can only help if you allow us to be a part of your plans, problems and especially your successes. See you at our next event.
